## **PHYSICS DEPARTMENT ASSOCIATION INAUGURATION 2023-24**

Organised by Pg department of Physics,  
Grace Valley arts and science college Maravattam

On February 21, 10:00 am

PROGRAM NOTICE

Inauguration by:  
Mr.Ayoob CP (Horr. Principal  
Grace Valley Arts and Science  
College, Maravattum)

Interactive Session With  
Mr.Sabeel PK (Asst. prof.  
Sullamussalam Science College  
Areekode)

02/21

UNVEILING THE  
NAME SHORTLY  
- GET READY!

The Association Inauguration of the PG Department of Physics held on 21<sup>st</sup> February 2024, was a delightful blend of academic discourse, creativity, and culinary delights. The event was marked by several distinguished segments, all contributing to a memorable and enriching experience for everyone present. The day commenced with the eagerly awaited name revealing of the association, a momentous occasion presided over by Dr. CP Ayoob, the esteemed Principal of the college. With great anticipation Dr. CP Ayoob Sir unveiled the name “ZEPTO” chosen to symbolize the infinitesimal scale of scientific exploration, representing “one sextillionth.” The name encapsulated the department’s dedication to delving into the smallest particles of the universe in pursuit of knowledge.

Following the exciting name revelation, Ms. Shilpa K, the Coordinator of the Physics Department association, delivered a warm and inspiring welcome speech. She set the stage for the day’s events, emphasizing the importance of collaboration and innovation in the field of physics. Mr. KM Khaleel, the Head of the Physics Department, took the stage to deliver a presidential address. His words resonated with passion and vision, urging students to strive for excellence and make meaningful contributions to the scientific community. Dr. CP Ayoob, the Principal of the college, graced the occasion with his inaugural address, commending the efforts of the department and expressing his support for their endeavours in advancing scientific knowledge.

The inauguration gained further momentum with a captivating paper presentation by Mr. Sabeel PK from Sullamussalam Science College, Areekode. His insights into the latest developments in physics sparked intellectual curiosity among the audience and inspired them. With a focus on supporting physics graduates in navigating their career paths, he offers tailored resources, advice, and support to help individuals explore diverse career opportunities aligned with their skills and interests. He introduced the fundamentals of LaTeX, a powerful software instrumental for students in the creation and formatting of their project documents. Adding a touch of light heartedness to the proceedings, students organized a caption contest, showcasing their creativity and humour. This interactive segment brought laughter and camaraderie to the event, reinforcing the sense of community within the college.

The occasion was also graced by felicitations from Sreejit MP, the Head of the Chemistry Department, and Suhana, the Union Chairperson, who acknowledged the dedication and efforts of individuals towards the success of the department. As the event drew to a close, Lulu Farsana, secretary physics association delivered a heartfelt vote of thanks, expressing gratitude to all the participants, guests, and organizers for their contributions. To culminate the day’s festivities, the Physics Department and students collaborated to prepare a delectable Sadhya, showcasing their culinary skills and fostering a spirit of togetherness and celebration. Overall, the Association Inauguration of the PG Department of Physics was a resounding success,

setting the stage for a year filled with academic excellence, innovation, and camaraderie under the banner of ZEPTO.
