Computer Science Association Inauguration at Grace Valley College of Arts and Science

The inauguration of the Computer Science Association at Grace Valley College of Arts and Science on January 23, 2024, marked a significant milestone in the institution's commitment to fostering academic excellence and innovation in the field of computer science. The event, attended by Principal, faculty members, students, and esteemed guest, was a resounding success.

The inauguration ceremony commenced with an opening address by the Head of the Department, Mr. Jasir EK, highlighting the importance of such associations in promoting interdisciplinary collaboration and knowledge exchange. This was followed by insightful speech by College Principal, Dr. Ayoob Keyi and a fruitful speech was followed from distinguished guest and industry expert, Mr. Slahuddeen Mubarack P, who shared their experiences and offered valuable advice to the budding computer scientists.

A series of engaging activities were organized as part of the inauguration, including interactive sessions on emerging technologies, trends in IT industry and discussions on career prospects in computer science. These activities provided attendees with a platform to explore diverse facets of the field and inspired them to pursue their passions with zeal and determination. The session handled by the chief guest.

Mrs. Seetha Lakshmi R and Ms. Varna K, assistant professors in the department shared their thoughts and emphasize the opportunities in the field of computer science. The ceremony concluded with a vote of thanks, expressing gratitude to all those who contributed to the success of the event and reaffirming the college's commitment to nurturing talent and excellence in computer science.

Prior to the Inaugural Session a series of games and technological exhibition like AR room, hacking room were organized on 22nd January 2024.

Overall, the inauguration of the Computer Science Association at Grace Valley College of Arts and Science was a momentous occasion that showcased the institution's unwavering dedication to promoting academic growth and innovation in the field of computer science and Applications. As the association embarks on its journey, it is poised to become a beacon of inspiration and empowerment for students aspiring to make a mark in the dynamic world technology.

IT CLUB INAGURATION

Title: Inauguration of IT club “INNOVISTA” and Logo Release

Introduction:

The IT Club at Grace valley college of arts & Science College, Maravattam with an aim to provide students an opportunity to share and extend their ideas, and hence interact with the industry to expand their horizons in the field of IT and its fast-changing technology.

IT club is an initiative by the Department of Computer Application's which is established with the intention to encourage and promote students through various activities. The inaugural ceremony of IT Club was held on 23rd January 2024 in conference hall packed with principal, Manager, HOD's of all department and all teaching and non-teaching staff. And also, members of the club.

The club was formed as a group of students and teachers, and its purpose is to gather people committed to technology.

Agenda:

- Welcome and Introduction
- Overview of Club.
- LOGO Releasing:

Club Offerings:

- IT students to improve academically and participate in college and external activities.
- The IT club targets to provide an environment for students to share and extend their knowledge and hence improve their overall skills both technical and cognitive.

MAGAZINE RELEASE

INNOVATIVE TECHNOLOGIES

As part of the IT club the first magazine under a department of BCA was released by our college Principal Dr Ayoob keyi and was handed over to the college library. The magazine was developed by BCA 3rd year students (Saqique, Farshad and Shibli). The magazine contains their innovative ideas about latest technologies.

The word "technology" and its uses have immensely changed since the 20th century, and with time, it has continued to evolve ever since. We are living in a world driven by technology. The advancement of technology has played an important role in the development of human civilization, along with cultural changes. Technology provides innovative ways of doing work through various smart and innovative means.

Technology has aided in the evolution of the modern world and how we imagine it. The technological innovations have made the lives of human beings convenient, easy and better than what it was yesterday. It has made possible for people to connect from all over the world through smart phones, emails, video calls, etc.
