GRACE VALLEY COLLEGE OF ARTS AND SCIENCE

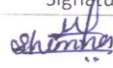

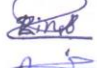

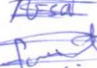

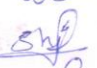

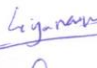

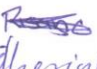

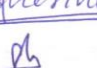

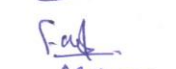

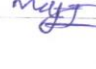

Reclaiming Lives: A Journey of Healing from Trauma and Addiction

Wadi Rahma: The Department of Psychology organized a significant event on June 27, 2023, commemorating PTSD Day and Drug Abuse Day. The program, titled "Reclaiming Lives: A Journey of Healing from Trauma and Addiction," aimed to raise awareness and promote understanding of these critical issues. Dr. Jasim Munawar, the college principal, inaugurated the event, with Mr. Althaf, the department head, extending a warm welcome. Mr. Safwan from the Physical Department and Mrs. Karthika, a faculty member, were also present. The program featured informative presentations by students, including a paper on PTSD Day by Ummu Salma and one on Suicide Prevention by Fahmitha. Additionally, a powerful mime performance on suicide was staged, highlighting the gravity of the issue. Mrs. Misna K delivered the vote of thanks, acknowledging the participants' contributions and emphasizing the importance of collective efforts in addressing these challenges.

Attendees of Reclaiming Lives: A Journey of Healing from Trauma and Addiction held on 27 June, 2023, Tuesday at conference hall, grace valley college of arts and science.
