Dear Administrator,

Greetings from Grace Valley College !!!!

I am pleased to inform you that students and faculties of the Department of Psychology of our college plans to visit your esteemed organisation, Louise Mount Hospital, on November 04, 2023, as part of their clinical visit program.

Around 66 students and three faculties of the department will be joining in the visit. The purpose of this visit is to provide our students with a practical and enriching experience in the field of psychology within a healthcare setting.

I kindly request your good self to permit them to visit your institution. Your support, cooperation and deliberation of your knowledge in this field to our students are highly appreciated. List of the participating students and faculties are attached herewith.

Thanking you in advance.

Yours Sincerely,

Principal

DEPARTMENT OF PSYCHOLOGY

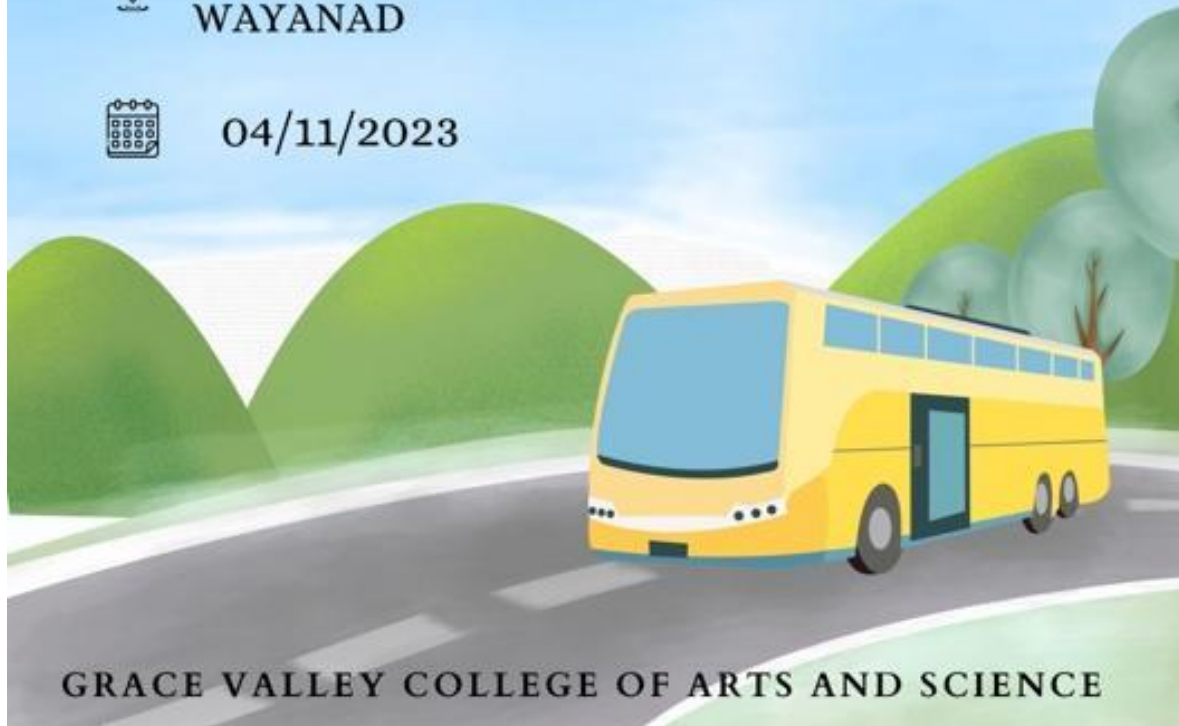

CLINICAL VISIT

LOUISE MOUNT HOSPITAL,
WAYANAD

04/11/2023

GRACE VALLEY COLLEGE OF ARTS AND SCIENCE

Clinical Visit to Louis Mount Hospital

Date: November 4, 2024

The Department of Psychology orchestrated a valuable clinical visit to Louis Mount Hospital in Wayanad, providing students with a firsthand experience in the field. Head of the Department, Mr. Althaf P, along with faculty members Misna and Karthika, led the visit, ensuring a comprehensive understanding of clinical psychology practices.

The hospital, renowned for its clinical expertise, hosted prominent clinical psychologists, Dr. Linjo and Anwin. They graciously shared their insights and experiences with the students, enriching their knowledge in the domain of clinical psychology. The lecture provided a bridge between theoretical learning and real-world applications, offering valuable perspectives on the challenges and nuances of the profession.

During the visit, students had the opportunity to witness clinical practices in action, gaining exposure to various therapeutic approaches and interventions. This hands-on experience complemented their academic learning, fostering a deeper appreciation for the complexities of psychological assessment and treatment.

The engagement with Dr. Linjo and Anwin not only broadened the students' horizons but also facilitated networking and mentorship opportunities. The visit to Louis Mount Hospital served as a pivotal moment for the Department of Psychology, aligning academic curriculum with practical exposure and professional guidance.

In conclusion, the clinical visit to Louis Mount Hospital on November 4 was a resounding success, thanks to the leadership of Mr. Althaf P and the active participation of faculty members Misna and Karthika. The collaboration with renowned clinical psychologists enriched the educational journey of the students, emphasizing the department's commitment to holistic learning in the field of psychology.
